

The 35th Annual Young Bird Futurity and Young Bird Auction

The 35th Annual Young Bird Futurity and Young Bird Auction will be held **December 5th & 6th, 2008 in El Reno, Oklahoma.**

Judges for the Futurity will be: George Lechner – cocks and Ross Hunt - hens.

Again, our goal for the Futurity will be 1,000 nominations and 100 nominators. If you have never attended an AGHA Young Bird Futurity, make your plans now to be a part of this super show in El Reno. You will have a great time!

We have obtained excellent rates at a motel in El Reno for our exhibitors and we will be hosting our AGHA Annual Business Meeting and Awards presentation, preceded by our banquet on Saturday evening, December 6th. All premiums will be paid in cash prior to the start of the Auction.

The AGHA business meeting will be held in conjunction with the Futurity on Saturday afternoon immediately following the judging. If you have any item you would like to have on the agenda, please mail it, in writing, to Ruthmary Hunt, Secretary, 1143 George Hunt Rd. Mansfield, LA 71052

Our Young Bird Auction will commence immediately following our AGHA business meeting on Saturday afternoon and hopefully can be completed following our Banquet. However, it may be necessary to complete the auction on Sunday morning, December 7th.
