

Well, it's about that time again. Time to figure out which birds to show and which birds to throw. We had a decent hatch this year should have numbers right around 40. Hope everybody else met their expectations as well.

Our judges for this year are, Roger Kleier for cock birds and Jim Barrett for the hens.

We have gotten some donations again this year and plan on getting more in the near future. We will do the door prizes again. This was something new we tried and I think everyone enjoyed it. Items were given away by periodically drawing from all the exhibitors of the giants. Just a small way of showing our appreciation for your support.

We will have our own raffle again with a few select items which we will sell tickets for. Also, the bird auction will again be held with 60% going to the seller and 40% to the club. Please bring a bird or two to help support the show.

There has been a little restructuring this year on the show. You'll notice that all entries are \$5 this year and have old and young bird winners. This way all birds are equal and it allows us to bump up the class monies. The rest of the information including payouts for champion birds, hotel accommodations and entry forms are found below and on the next page. If you have any questions or suggestions feel free to call (308) 586-2410. Hope to see you all at the show. Bring a winner.
